## CHAPTER ONE

### INTRODUCTION

An alternative form of marketing organization forentrepreneurs and trading company in which has played a major role in most oflocal areas in Nigeria involving Ejigbo and it environment in the co-operativesocieties.

Co-operativesocieties have played a vita role on the economic development and upliftment ofpeople in rural communities due to the fact that society regarded it as heireconomics saviors. co-operative has a basic survival value; the is because itconstitutes a vital aspect of both individual and group behaviour.

Theindividual co-operative with each other as a means of survival and security

More so, individual group relationship on only be achievedthrough working together otherwise referred to as the spirit of togetherness.

In a generalsense, co-operation is not new phenomenon, parents and children cooperate,tenants and lord co-operation, teacher and pupils cooperate in communities andstates in other to achieve their aims, objectives, using mission and aspiration

In a specific sense, co-operative society refers toassociation of people coming together for their economic boost and socialinterest of their members.

Acquiring of shares in viable going concerns

Establishment of viable projects, for instance, setting up ofindustries, catering services and consumers shop aims towards bringinggrassroots people closer to the government. according to international labourin a book titled co-operative management and administration published ingebeva, 1968.

“The modern co-operative institution originate among thecommon people and still remains a mechanization for defense, betterment andemancipation to combat the condition brought about by he evolution of themarket economy industrial reduction in the early nineteenth century”

### STATEMENT OF THE PROBLEM

This project is designed to highlight the impact ofco-operative societies on economic development of rural community.

The main purpose of this research study is to investigate heneed for a formation of co-operative societies as only source of securingeconomic development of a rural community with a particular reference to EjigboKarowoseye co-operative finance and credit union limited, ejigbo.
