

INTRODUCTION

1.1 Background of the Study

The adoption of cost accounting system should be done to suit the general organization of a particular manufacturing company or business.

Hence such business consists of resources brought together for the purpose of manufacturing and selling those resources which include material and work employed. Cost accounting provides management of organization with the cost of product inventories, operation and compares' actual with predetermined data.

Cost accounting is concerned with concerned with preparation of resources the time of spent of worker and worker fixed cost used are collected by cost accountant who would translate the information into cost modern business is large and complex in such a way that all enterprises whether large or small manufacturing, private or public require a wide variety of cost data in making day to day operating decisions.

Therefore cost accounting has a great effect in a manufacturing activities and that is the task the paper has set for itself in tackling the problems. It is important to understand what cost accounting is and its functions or usefulness to the manufacturing company.

Thus, cost accounting is the process of measuring, analyzing computing and reporting of cost profitability and performance of operation. Accounting John Mitchell and Sinclair (2013).

1.2 Statement of Problem

The performance of manufacturing companies in Nigeria has become a worried some phenomenon and a matter of great concern to the investors, shareholders, management, managers and the entire staff. Hasen and Mowem (2006, p.12) reported that companies failure and poor profit maximization and liquidation in the news headline due to improper costing. Shortly after establishment has call for urgent attention from management. Many companies have completely abstain from cost

accounting strategy and preparation.

THE EFFECT OF COST ACCOUNTING ON MANUFACTURING COMPANY (A CASE STUDY OF SIBA GROUP OF COMPANY)

The complete project material is available and ready for download. All what you need to do is to order for the complete material. The price for the material is NGN 3,000.00.

Make payment via bank transfer to Bank: Guaranteed Trust Bank, Account name: Emi-Aware technology, Account Number: 0424875728

Bank: Zenith Bank, Account name: Emi-Aware technology, Account Number: 1222004869

or visit the website and pay online. For more info: Visit <https://researchcub.info/payment-instruct.html>

After payment send your depositor's name, amount paid, project topic, email address or your phone number (in which instructions will sent to you to download the material) to +234 70 6329 8784 via text message/ whatsapp or Email address: info@allprojectmaterials.com.

Once payment is confirmed, the material will be sent to you immediately.

It takes 5min to 30min to confirm and send the material to you.

For more project topics and materials visit: <https://researchcub.info/> or For enquiries: info@allprojectmaterials.com or call/whatsapp: +234 70 6329 8784

Regards!!!
